Buying the Classic Car of your dreams is a very big decision for most of us. Nothing is more disappointing than having your dream car delivered only finding the sellers over promised and under delivered. You can buy, sell, trade and consign with confidence with American. We are car people serving car people.

### What to Expect During The Purchase Process

We try very hard to make the purchasing process very easy!

You will speak with one of our full time sales staff. They will answer any and all of your questions. They will assist you with the sales process from your first phone call or email, to when your vehicle is delivered to you.

Our staff love cars and are easy to work with. No high pressure sales tactics.

We inspect all titles and VINs of vehicles prior to consignment.

If needed, we can assist in financing.

We will draw up a Purchase Contract/Bill of Sale and will assist with any titling and registration forms needed.

Multiple forms of payment are accepted including; Cashiers Check, Cash, Wire Transfer, Personal Check, and Financing.

We can work with our carriers to have the vehicle delivered to you.

All vehicles are sold AS IS - WHERE IS.
